The Charles Pointe, a southern-inspired farmhouse, presents a spacious layout ideal for entertaining with its large open living space. The owner's suite boasts a spacious walk-in closet and a private bath complete with a double vanity, separate water closet, luxurious soaker tub, and shower, providing a tranquil retreat distinct from the other three bedrooms.

Accentuating its exterior, tall black windows and vertical board and batten siding create a striking visual contrast, further enhanced by a delightful faux gable and side load garage.
