DESIGNER COLLECTION

Two Story 2,835 sq.ft. **4** bdrm **3.5** bath

The Fairmont stands out with its exquisite detailing, inspired by the classic saltbox style. Designed to accommodate guests or multi-generational living, this floor plan boasts an owner's suite on the ground floor, thoughtfully positioned near the main entrance for added convenience. A central staircase leads to the guest suite upstairs and two additional bedrooms. Convenience is prioritized, with a side porch providing easy access to the mudroom and half bath.

The home's exterior is truly stunning, with an included side-load garage and a delightful combination of horizontal and vertical siding.
