# FAIRMONT

## DESIGNER COLLECTION

**Two Story** 2,837 sq.ft. **4** bdrm **3.5** bath

Very tasteful detailing sets this saltbox inspired plan apart.

Inside the home, included 9' high ceilings open up the first floor. An open family room and kitchen are centrally located. The Fairmont comes with two master suites - one on the first floor and one on the second - making multi-generational living a breeze. A central staircase leads you to the second master suite and two additional bedrooms.

A side-load garage with easy access to the mudroom and laundry room makes for a very practical setup.
