# WOODFIELD

## DESIGNER COLLECTION

**Two Story** 3,724 sq.ft. 4 bdrm 3.5 bath

A significant amount of stone, board and batten siding and fine details like a copper finish roof above the stoop make this dignified two-story home look as good as it lives.

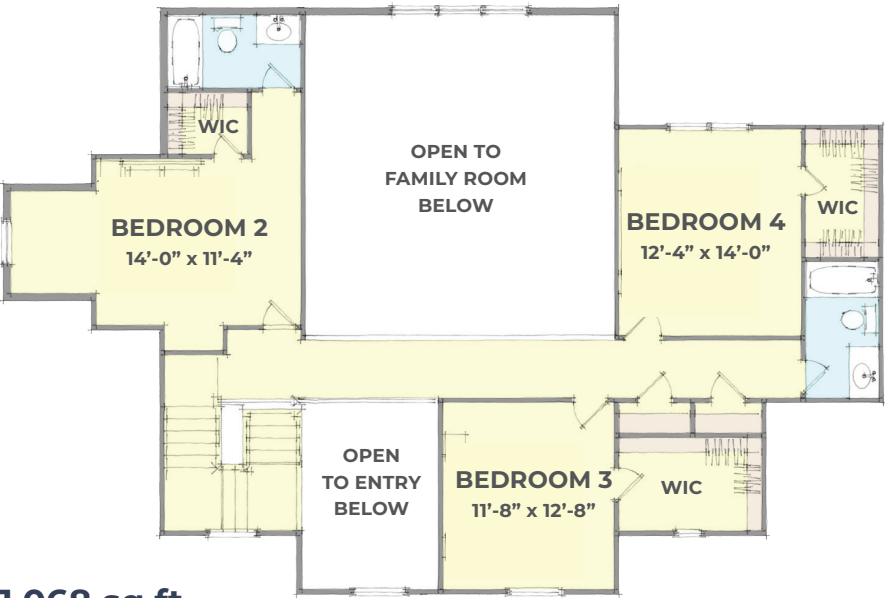

A large kitchen island, a huge laundry/craft room, a separate formal dining space, and a dramatic stairway leading to an open overlook walkway are just a few features that The Woodfield offers. This home also features three spacious bedrooms and two full baths on the second floor and a luxurious owner's suite on the first floor with a large walk-in closet and a sizable owner's bath.
