ASHFORD

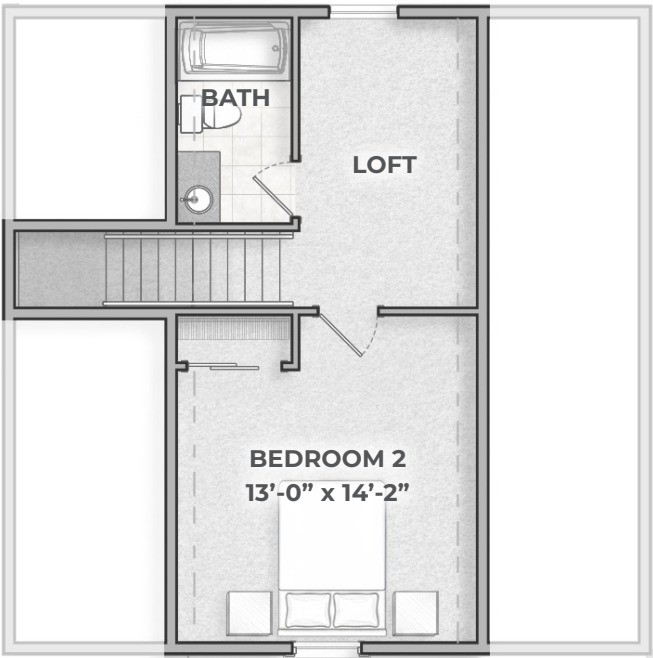

DESIGNER COLLECTION

Two Story 1,140 sq.ft. **2 bdrm** **2 bath**

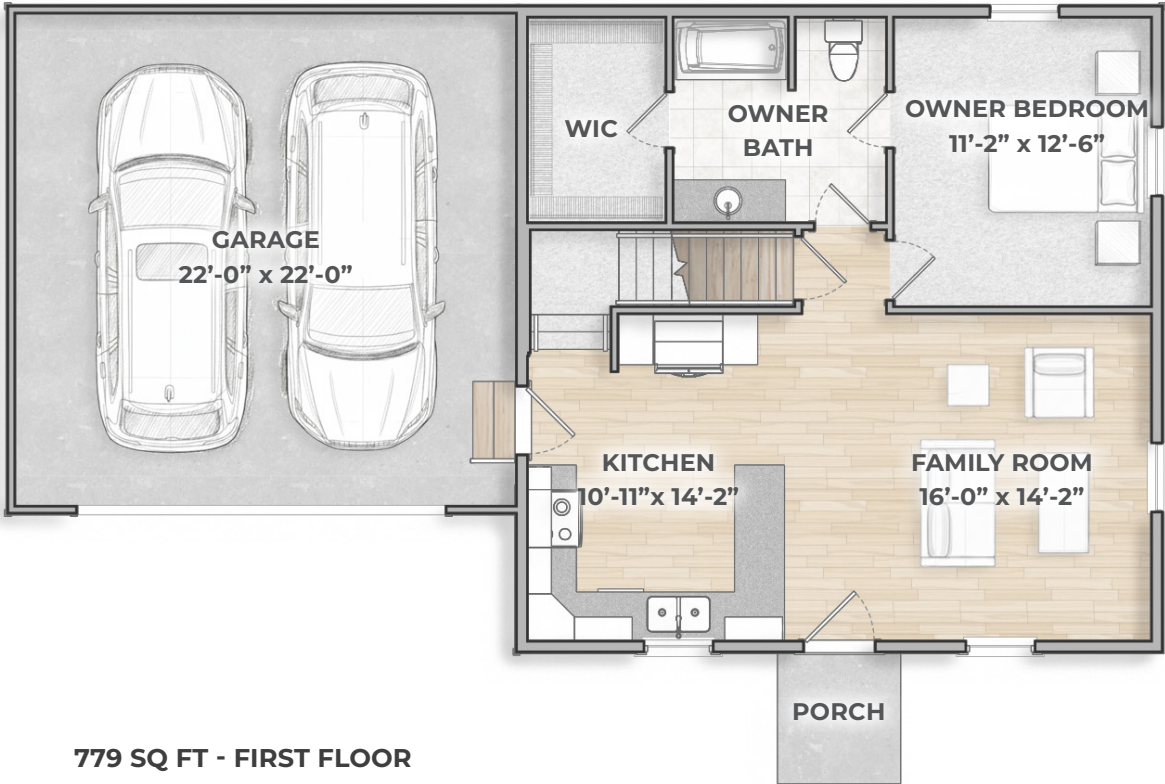

The new and improved Ashford packs a lot of personality into a smart two-story design. The first floor keeps life convenient with an owner's suite tucked away for privacy, an open kitchen and family room, first-floor laundry and an attached two-car garage. Upstairs, a second bedroom and full bath are joined by a loft that adds flexible space for an office, reading nook or hangout.

With its steep gable, welcoming entry and schoolhouse-inspired character, the Ashford feels distinctive without trying too hard—and its efficient layout makes every square foot count.
