MANNINGTON

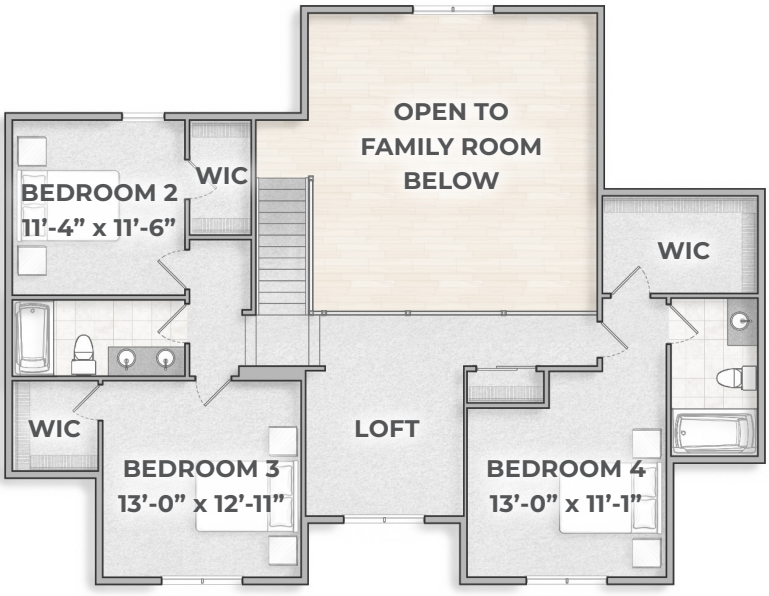

DESIGNER COLLECTION

Two Story 3,186 sq.ft. **4** bdrm **3.5** bath

A little room for everyone—and a porch to bring you back together. The Mannington offers four bedrooms, three-and-a-half baths, and a first-floor owner's suite. A two-story family room and an island kitchen with a walk-in pantry give everyone places to settle in, while separate dining and office spaces give dinner and work their own places. A separate laundry room helps keep busy days moving. Upstairs, three bedrooms with walk-in closets, two full baths, and a loft offer room to spread out.

Outside, a broad covered porch, paired gables, and horizontal and shake-style siding give the Mannington its classic character.
